**FY 2014 CONSOLIDATED ACTION PLAN AMENDMENT**

Fort Bend County proposes to amend its approved FY 2014 Consolidated Action Plan. The Consolidated Plan regulations at 24 CFR 91.505 state that a jurisdiction shall amend its approved plan whenever it makes one of the following decisions:

- (1) To make a change in its allocation priorities or a change in the method of distribution of funds;
- (2) To carry out an activity, using funds from any program covered by the consolidated plan (including program income), not previously described in the action plan; or
- (3) To change the purpose, scope, location, or beneficiaries of an activity.

In addition, Fort Bend County has identified in its citizen participation plan the criteria it uses for determining what constitutes substantial amendments that are subject to a citizen participation process, in accordance with the County's citizen participation plan. The definitions and/or criteria for what constitutes a substantial change for the purpose of amending the consolidated plan are as follows:

- (1) Purpose: The purpose is substantially changed if the overall purpose for which a project is funded changes. Changing a specific objective without changing the overall purpose of the project will not be considered a substantial change.
- (2) Scope: The scope is substantially changed if the original estimated cost of the project is increased by twenty percent or more.
- (3) Location: The location is substantially changed if the service area of a project changes from the original service area.
- (4) Beneficiaries: The beneficiaries are substantially changed if there is a change in type or the number is increased by twenty percent or more.

The Fort Bend County FY 2014 Consolidated Plan Amendments are available for public review and comment. The public is encouraged to submit written comments by Monday, November 24, 2014 to Marilyn Kindell, Community Development Director, 301 Jackson, Suite 602, Richmond, Texas 77469.
