

ORDER CALLING ELECTION FOR THE INCLUSION OF AN AREA INTO THE  
BOUNDARIES FORT BEND COUNTY ASSISTANCE DISTRICT NO. 5 AND  
IMPOSITION OF A SALES AND USE TAX

WHEREAS, on November 8, 2011, Fort Bend County (the "County") held an election for the creation of Fort Bend County Assistance District No. 5 (the "District") and the imposition of a sales and use tax at the rate of one percent within the boundaries of the District; and

WHEREAS, the Commissioners Court of Fort Bend County (the "Court") has determined that there are certain important public services, projects and programs that lack funding within areas outside of the boundaries of the District; and

WHEREAS, Section 387.003(f), Local Government Code authorizes a commissioners court to call an election to be held in an area of the county that is not located in an existing county assistance district to determine whether the area should be included in the district and whether the district's sales and use tax should be imposed in the area; and

WHEREAS, the Court proposes to include an area that is not within the boundaries of the District, as described by the property description in the attached **Exhibit A**, and impose a tax on the receipts from the sale at retail of all taxable items (as defined in the Act and the Tax Code, Chapters 151 and 323) within the District at a rate not to exceed one percent of the sales price of the taxable item sold; and

WHEREAS, the County has determined that the combined rate of sales and use taxes imposed by political subdivisions of the State within the area proposed for inclusion within the boundaries of the District, including the rate to be imposed by the District, if approved at this election, would not exceed the maximum allowable rate; and

WHEREAS, the Commissioners Court intends for the property description in the attached **Exhibit A** to form a closure and for the area to be included in the District to be located solely in the current limits of the extraterritorial jurisdiction of the City of Pearland and in those areas of the County in which the current sales and use tax imposed by political subdivisions is one percent or less. To the extent that a mistake is made in the property description such that the boundaries of the area to be included extend into a municipality's corporate limits or the current extraterritorial jurisdiction of another municipality, or extend into an area in which less than one percent of sales and use tax is currently available, that portion of the boundaries shall be deemed to be excluded from the District; and

WHEREAS, the County intends for the District to perform any lawfully permitted purpose; and
